- *Tools / languages used:*
  - HTML
  - Wikipedia API
  - *JavaScript*
  - *TailwindCSS*

Administrative Assistant   Nov 2022 – Present
Canadian Blood Services   Ottawa, ON
Working through the Resource Management team under SFMBI, we addressed the requested needs of customers and stakeholders by communicating to the correct operational team that was required. Contract position that I undertook while pursuing my dream to become a web developer.

Key Accomplishments:
- *Took initiative when asked if I could apply some of my web development skills to help style SharePoint (JSON) profile cards for company.*
- *Continued to display exceptional team work skills working in a small team.*

Administrative Officer   Jan 2020 – July 2022
Lyell McEwin Hospital   Adelaide, South Australia
I undertook numerous duties throughout my time at Lyell McEwin Hospital. Referral management, customer service, patient care is few to name. My last role at this position was working in the cancer centre booking chemotherapy appointments for cancer patients. I had the utmost compassion for the situation that these patients were going through and understood that I was probably speaking to some of them on the worst day of their life.
Key Accomplishments:
- *Throughout COVID the hospital system struggled with many challenges that were brought on with the pandemic, I was able to work through this and assist to the best of my ability.*
- *I was chosen to back fill a management position from Aug 2021 to Sept 2021. This gave me a variety of experience with management duties.*
- *Excelled with critical thinking and working under pressure in a public hospital system.*
- *Key Quotes from my manager:*
    - *"Demonstrated high work ethic and fantastic time management skills."*
    - *"Aidan is an extremely fast learner, has fantastic time management skills and excellent organisational skills."*
    - "Positive attitude and delightful to work alongside."

Boot Camp Certificate: *University of Toronto School of Continuing Studies, Toronto, ON [Online Class]*
A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS. *Program Summary optional*

Bachelor of Science – Chemistry (Honours): *Bishop's University, Sherbrooke, QC*
Graduated 2019 from Bishop's University. Played on the lacrosse team for all four years while studying.
Key Accomplishments:
- *Academic All Canadian at Bishops University (maintained an 80% average while undertaking a university sport)*
- *Research team through Bishops University Chemistry Department (2019)*
- *Bishops University Chemistry Club (2019)*
- *Participated in Bishop's University research week poster competition*
- *Picked to be on the student representative council for the Chemistry Sessional Hiring committee*
- *Presented 3 times during the year to professors regarding research and projects*
